Due to a spike in COVID-19 cases in the county, there have been some changes in the McCormick Athletic Department home game procedures. **We will no longer allow any spectators at McCormick County home games.** The winter sports teams will continue to play throughout the COVID-19 pandemic.

The McCormick County School District Athletic Department will follow all recommendations set forth by the South Carolina High School League and the CDC. However, we are exploring some online options for spectators to view games with an online platform. This is still a work in progress.

The number one job of the McCormick County School District Athletic Department is the safety of our student-athletes and coaches at all times. If anyone has any questions or concerns, please feel free to contact me.

We appreciate all the support we receive from parents and community members during these tough times.

With Chieftain Pride,

Rico Salliewhite, Athletic Director & Assistant Principal
