To the Parents of _____:

Our goal at McCormick High School is to use all available resources to ensure that every student is successful. Based on your child's performance for the first nine weeks, we are concerned about his/her progress, therefore we are pleased to inform you that our After School Tutoring Program will begin on October 19, 2020. This letter is to offer your child the opportunity to participate in this program to meet academic standards in one or more of his/her classes.

We recommend that your child attend the after-school program two days each week, from 3:30-4:30pm until the end of the second semester. Students that are accepted into the program will be required to attend all days that they are assigned. Failure to attend may result in dismissal from the program. Please check one of the options below, sign, and return the form to McCormick High School. Students will be approved on a first come-first serve basis, so please reply as soon as possible. Transportation will not be provided at this time. You may pick up students near the student parking area at 4:30pm.

Please feel free to contact us with any concerns you may have.

Sincerely,

S. English
