Dear Parent or Guardian:

As a parent of a student enrolled at a Title I school, you have the right to know the professional qualifications of the classroom teachers and instructional assistants who work with your child. Federal law allows you to ask for the following information about your child's classroom teachers and requires the District to give you this information in a timely manner:

- whether the teacher is certified to teach the subjects and/or grade levels the teacher is teaching,
- whether the teacher's certificate is a waiver or substandard certificate
- the teacher's academic major, graduate degrees, if any, and
- the teacher's certification area.

If you would like to receive this information, please call Wanda Anderson in the Human Resources Department at 864-852-2435.

Sincerely,

Mary Greene Thomasson
Director of Special Services and Instruction PK-5
