FYI:

Students are expected to attend live lessons EVERYDAY regardless of if they are face to face or virtual. If your child is unable to attend the live lesson, he/she is responsible for watching the recorded lesson on his/her own.

We will add more detail to the schedule during the week for things like small groups and Do the Math. Watch for that via e-mail and google classroom.

Please have students start practicing multiplication facts. Teach them to draw a picture or skip count on their fingers. If they can do this well, then have them start memorizing facts.
