### Academics

The following courses will end in January 2021 at the end of the semester: Science, Social Studies, Related Arts, Health and Spanish. Once these classes are finished, the grades are final. Please make sure your child focuses throughout the 2<sup>nd</sup> nine weeks.

Reminder, if you have signed for your child to be virtual during the second nine weeks, they must remain virtual until the semester ends (Jan. 12, 2021).

### Attendance

Students are expected to log onto their assigned course everyday during the designated times, and turn in assignments by the due date set by the teacher. Failure to log on and turn in assignments will result in your child being marked absent. Three or more absences will result in a meeting for an Attendance Intervention Plan.

### Behavior

Students should be visible to the teacher during virtual class time, remain in class until given permission by the teacher to leave, be out of bed, and follow the school standard dress code (no tank tops, no head covering, etc.)

### **A MESSAGE FROM YOUR PRINCIPAL**

Two thousand twenty has been a trying and taxing year for everyone. The Corona Virus (COVID-19) has put a strain on healthcare, the education system, and households, as well as many other agencies.

MMS is making every effort to support parents and students while they face the uncertainty of what path COVID-19 will take as we enter the flu season.

The one thing we are certain of is that educating students is a must, whether virtually, face-to-face or hybrid.

Maintaining a positive partnership between the home and school is vital for each student's success.
